

ASEAN-Australia Strategic Youth Partnership

ASEAN Editor

We are seeking a passionate individual to join our Operations team as our ASEAN Editor.

About the role:

The ASEAN-Australia Strategic Youth Partnership (AASYP) is a charitable Australian Company Limited by Guarantee. AASYP is reshaping diplomacy by elevating young people to become leaders in the ASEAN-Australia relationship. We strive to do this by equipping young people with the essential knowledge, skills and platform to engage with pressing regional problems.

One of the core ways that AASYP encourages youth participation in the ASEAN-Australia relationship is through the blog. The blog gives young Southeast Asians and Australians the platform to share their perspectives on regional issues that affect the relationship. AASYP hopes that this platform breeds more youth involvement in ASEAN-Australia discourse.

The ASEAN Editor will be responsible for soliciting articles from Southeast Asian-based authors for the blog. Working with a team of sub-editors, the ASEAN Editor will be required to identify young writers, encourage them to write pieces about the ASEAN-Australia relationship, and then upload these pieces to the blog. We also encourage the ASEAN Editor to occasionally write for the blog.

Our ideal ASEAN Editor would have strong people skills to manage a team of sub-editors and have a strong regional network in Southeast Asia. To meet publication performance indicators, the ASEAN Editor should be able to meet deadlines and design strategies to ensure a specified number of articles are published each month. We are also interested in finding an ASEAN Editor with a diverse network to ensure authors come from diverse backgrounds.

All roles at AASYP are currently on a volunteer basis.
